

## Our Mission

The Indiana Masonic Home Foundation successfully raises, prudently invests, and faithfully distributes charitable funds to support causes that promote the principal Masonic tenets of brotherly love, relief and truth.

Since the first resident moved onto our Franklin, Indiana campus in 1916, the Indiana Masonic Home has been a safe haven for approximately 8,000 adults. Today, the Home is a Continuing Care Retirement Community of 400 residents, affording lifestyles in cottages and duplexes, apartments, assisted living, skilled nursing, and memory care.

Our **Walk Down Memory Lane** campaign offers an opportunity to purchase a brick to be placed on campus in the name of a loved one.

Our **Acacia Society** exists for donors who contribute \$1,000+ in memory of a loved one- the person memorialized has their name on a plaque at the Home

Our **Corinthian Society** is a special society honoring those who have included the IMHF in their financial estate planning by leaving a legacy of hope.

Since 1936, the Foundation has helped preserve our Indiana Masonic Home in Franklin, Indiana. The Foundation provides funds for the Home's fraternal mission and projects that benefit the entire campus. The Foundation's work has benefitted our Continuing Care Retirement Community in several ways: Operational expenses, bricks and mortar projects, and those residents who qualify for fraternal care.

The Indiana Masonic Home Foundation engages in promotional and public relations activities to increase the assets and properties held by the Foundation; communicates to the Masonic membership the charitable need, purpose, and benefits of the Indiana Masonic Home; and provides the necessary professional guidance to help Freemasonry be successful in its efforts. This is achieved through the joint effort of the Foundation, its staff, and Directors, the Home and its staff, and all brothers and sister of the family of Freemasonry.
