

Did You Know?

The charitable IRA rollover allows donors to make charitable gifts to the Indiana Masonic Home Foundation directly from their IRAs. The amount that is sent directly to the Foundation counts toward their Required Minimum Distribution for the year as if they had received it themselves, but because the funds went to charitable organizations, the donor pays no income tax. This is a great way to support our mission while saving income taxes.

A donor may establish a Charitable Gift Annuity with the Indiana Masonic Home Foundation and receive a tax deduction. The donor also receives income for life (currently calculated at 5.1% for a 70-year-old donor), and much of the income is tax-free.
